-----------------------------------	------------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued December 23, 2002)

On November 27, 2002, KMC Telecom V, Inc. (KMC), filed a proposed tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in the listed exchanges as described in the local exchange maps of Qwest Corporation (Qwest). The proposed tariff has been identified as Docket No. TF-02-554.

On August 7, 2000, the Board issued an order in Docket No. TCU-00-26 approving KMC's application to provide service in the listed exchanges and approving the concurrence in the Qwest exchange maps. The order states that a certificate would be issued when KMC gave notice to all affected local exchange carriers and obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. KMC requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds it substantially complies with Board rules for the filing and processing of tariff pages. The tariff contains rates

for only business customers. Notice was provided to all affected carriers. The Board will approve the tariff effective December 27, 2002, as requested and issue KMC a certificate of public convenience and necessity concurrent with this order.

IT IS THEREFORE ORDERED:

1. The proposed tariff filed by KMC Telecom V, Inc., on November 27, 2002, is approved effective December 27, 2002, as requested.
2. A certificate, identified as Certificate No. 0260, is being issued to KMC Telecom V, Inc., concurrent with this order.
